

Sunday Morning Webcast

Instructions for joining Trinity worship online

Trinity plans to host a live worship online, **Sundays at 9:30 am**. The platform we will use to host the worship service will be Facebook Live.

To participate, please note that you **do not** need to be a Facebook user, or have a Facebook profile.

To join the webcast, go directly to Trinity's Facebook Page at **facebook.com/Trinity.New.Hamburg**

Scroll down the page a bit and you'll see a box that says "Trinity Lutheran Church-New Hamburg" is now live.

You may first get a pop-up box obstructing your view... that's Facebook wanting you to make a new account. But you can simply ignore this by clicking "Not Now".
